# Hi! I'm Christina Perera

**UI/UX DESIGNER – FRONTEND DEVELOPER**

I'm a dedicated undergraduate Front–End Developer and UI/UX Designer with expertise in HTML, CSS, JavaScript, and responsive design. I specialize in crafting intuitive, visually engaging experiences that balance creativity with clean code.

I'm a quick learner with a keen eye for detail, passionate about usability and accessibility. My goal is to build impactful, modern websites and applications.
